MIAMI-DADE COUNTY PUBLIC SCHOOLS

Summer Youth Internship Program

Internship Provider Supervisor, Teacher Internship Supervisor, Student and Parent Responsibilities

Internship programs are planned to develop students academically, economically, and socially. There are responsibilities to the school, to the community and to the business sponsors that must be considered when accepting students into these programs.

Internship Provider Supervisor Responsibilities

The internship provider agrees to place the student intern in his/her business organization, including remotely, for the purpose of providing workplace readiness experience. The internship will be under the supervision of a qualified supervisor. The work will be performed under safe and hazard free conditions. The student will receive the same consideration given to employees with regard to safety, health, general working conditions, and other policies and procedures of the business. This includes but is not limited to all local, state and federal guidelines that relate to working conditions. The internship provider will adhere to all state and federal policies related to nondiscrimination in employment and educational programs or activities with regards to race, gender, color, religion, ethnic or national origin, political beliefs, marital status, age, sexual orientation, social and family background, linguistic preferences or disabilities. All Federal and Florida Child Labor Laws must be adhered to and are available for review in the Student and Employer Handbook or at www.myfloridalicense.com. I understand that the required dates of attendance will take place during the approved SYIP 2023 term and that NO vacation is allowed during this time frame. The internship provider agrees to adopt a background screening process that is consistent with M-DCPS guidelines at a minimum on the person(s) who will be supervising the student. The internship provider understands and agrees that it is subject to all applicable federal and Florida laws and School Board policies relating to the confidentiality of student records. Time sheets are a legal document, and any falsification will be considered fraud.

The Student agrees to comply with all requirements found in the Student Internship Handbook:

1. Adhere to rules and regulations of the business and act in an ethical matter;
2. Provide his/her own transportation to place of internship;

4. If attending the internship in-person, comply with all state and federal guidelines on social distancing, proper hygiene, and illness prevention, including by wearing a facial covering when appropriate;
5. Be in attendance (no more than 2 unexcused absences) and punctual on the job and for all specified meetings, including those conducted remotely;
6. Not voluntarily quit/resign a job without previous authorization from the internship provider and the instructional supervisor; and
7. Understand that M-DCPS is the recognized authority for making any adjustments or changes in the internship program. This principle applies regardless of whether or not the student obtained his/her own internship position.

The Internship Supervisor agrees to:

1. Hold a minimum of two conferences with the internship provider to discuss the student's progress;
2. Communicate with internship provider to resolve any interference that may occur between the internship program and the company's policies;
3. If supervising the internship in-person, comply with all state and federal guidelines on social distancing, proper hygiene, and illness prevention, including by wearing a facial covering when appropriate;
4. Counsel the student about the work-based learning experience.

The Parent (Guardian) agrees to:

1. Ensure that their child follows internship provider/school expectations of the program;
2. Support the policy of requiring the student to complete the length of the internship program. Internship providers should not be put in a position of having to accommodate the vacation schedule of their intern's family.
3. Understand that the student is responsible for his/her own transportation;
4. Understand that Miami-Dade County, Miami-Dade County Public Schools (M-DCPS), CareerSource South Florida, The Children's Trust and/or the Foundation for New Education Initiatives, Inc. will not be held liable in case of accident/injury on the way to and from internship.
