Breakout Session Descriptions	
Session Title	Description
Florida Ready to Work 2 Sessions: Session 1 and Session 2	Florida Ready to Work is the free, state-sponsored foundational employability skills training and credentialing solution, offering three stackable credentials in soft skills, academic employability skills, and new this year, digital skills . This session will: provide an overview of the three foundational employability skills; explain the role of a Proctor Administrator, how to enroll students and monitor their activities; discuss outside-the-box implementation strategies; share ways to seamlessly incorporate Florida Ready to Work modules in your classroom.
Transform Your Classroom with AI Education Session 1 Only	Elevate your teaching techniques and engage students like never before by harnessing the power of Artificial Intelligence. Join us to discover innovative strategies, interactive tools, and a world of possibilities that will revolutionize your classroom and empower your students for the digital age.
iCEV Resources and Strategies for CTE Programs 2 Sessions: Session 1 and Session 2	Stress Free CTE! If you are a brand-new teacher straight from industry or a veteran teacher with lots of experience, come learn about ICEV's comprehensive curriculum platform! Complete with standards alignments, lesson plans, activities, projects, assessments, AND Industry Certifications! We have resources to make your back-to-school experience STRESS FREE! All Teachers will receive a FREE 30-day trial!
Best Instructional Strategies to Bring your 'A' Game to the Classroom (Panel of Peers) Session 1 Only	As a teacher, there is no "one size fits all" solution. Whether you have been teaching for two months or twenty years, being an effective teacher is a challenge, because every student is unique. However, by using a combination of teaching strategies, you can address students' varying learning styles and academic capabilities and make your classroom a dynamic motivational learning environment for students.
5 Best Exercised to Promote Inclusion, Access, Equity and Diversity (IAED) Rubin Education Session 1 Only	Across the country, we see a push for more instruction that incorporates what has become known as IAED or Inclusion, Access, Equity and Diversity. We want all CTE students to be welcome in the classroom and, in turn, take those skills to the job site for CTE opportunities. How do we move from proclamations that inclusion matters to actionable lessons and activities that help CTE students understand the power of IAED? Danny from the Rubin team will guide the group through five classroom activities that drive home critical lessons for IAED.

Breakout Session Descriptions	
Session Title	Description
Floral Design: Blooming into a New School Year 2 Sessions: Session 1 and Session 2	Floral arranging is a creative and meditative process that connects teachers to nature and their senses to provide a refreshing outlet for self-expression. Engaging in this hands-on activity can provide a welcomed break from the stresses of designing and delivering meaningful and effective instruction, and the fruits of your floral arranging labor can enhance your teaching and learning environment.
Connecting Students to Preapprenticeship: Now > Later Session 2 Only	Current Preapprenticeship teachers in Help Desk, Cybersecurity, Building Trades and Construction, Education (Teacher Assistant), and Hospitality (Hotel Associate) are invited to this session. We will be participating in an immersive session to review the year at-a-glance to ensure a well-run program. Preapprenticeship offers students the opportunity to discover rewarding career pathways, join our session and be inspired for what is to come in the upcoming year!
OJT Best Practices Session 2 Only	The OJT Best Practices session will provide information to OJT instructors on best practices and guidelines for implementing a successful OJT program. This session will inform attendees of how to properly complete the necessary OJT documentation for audits. Please note that this session is only limited to OJT instructors in M-DCPS.
Jewelry Making: Express Yourself, Build Your Own Charm Bracelet Session 2 Only	You will be creating your very own charm while getting to know each other. This will be facilitated by a private jeweler and gemologist, Natacha Metayer with JNCY Jewelers.
Certiport: The Full Pathway Bring Your Exam Pass Rate to an "A" Level Session 2 Only	Learn how you can improve pass rate and increase student success in industry certifications and how balancing curriculum and practice tests can improve overall pass rates and student success. Hear about the new advances in the Certiport testing platform and learn best practices for ensuring a worry-free testing experience.
Business/Instructional Technology/ Apprenticeships Session 3 Only	Receive program specific information that will help you bring your 'A' game to your CTE program.
Industrial/Technology Education/ Apprenticeships Session 3 Only	Receive program specific information that will help you bring your 'A' game to your CTE program.
Hospitality/Tourism/Education & Training Session 3 Only	Receive program specific information that will help you bring your 'A' game to your CTE program.
Health Science/Agriscience/ Public Service Session 3 Only	Receive program specific information that will help you bring your 'A' game to your CTE program.
