**2024 SUMMER YOUTH INTERNSHIP PROGRAM
STUDENT HANDBOOK ACKNOWLEDGEMENT**

The Summer Youth Internship Program is designed to give students real-life experiences in the world of work. During this time, students will take on the roles and responsibilities of a valued member of a business organization. It is important that the student interns understand that dress, punctuality, attendance, and behavior reflects upon themselves and their parents, teachers, school, and peers.

Actions speak louder than words and are remembered longer. As young professionals, it is important that the impression left is bright, like a star.

The Internship involves two individuals to oversee the intern; an internship workplace supervisor and a Miami-Dade County Public Schools (M-DCPS) Internship Supervisor. The M-DCPS Internship Supervisor's position is to oversee the internship, to visit interns and internship providers, and to assist in a successful internship. This individual may or may not be the intern's lead teacher, but is there to help with the challenges that may arise. Please call or e-mail the M-DCPS Instructional Supervisor if there are any questions or concerns.

This handbook has been developed to help you prepare and successfully complete the 2023 Summer Youth Internship Program. It contains activities, suggestions, and resources to assist in the completion of weekly assignments. It is the intern's responsibility to read this handbook and understand what will be asked of them. If there are any questions about assignments or activities, please discuss them with the M-DCPS Instructional Supervisor.

Enjoy your summer internship experience and remember your supervisors are here to help and support. If there are any questions, problems, concerns, or issues that arise, contact them for input and direction. Remember the 3P's: positive, polite and punctual. Good Luck.

I, _____ understand that it is my responsibility to read this handbook and clarify any items.

I further understand that I will be held accountable for all information contained in this handbook.

PREPARATION COURSES FOR STUDENTS

- **Florida Ready to Work Soft Skills Modules** – student downloads Certificate of Completion, school champion submits with other documentation.
- **Summer Internship Preparation Course in Schoology** – school champion will submit documentation showing completion of student lessons.

Students can access all materials within Schoology, after school champion copies Schoology App and lessons to Schoology course. Training for Schoology Preparation Course and Schoology App for Florida Ready to Work will be offered throughout February and March.

To prepare students for the 2024 Summer Youth Internship Program, students are required to complete **Soft Skills modules** within **Florida Ready to Work** courseware. Each training module contains a course component that includes instructional content, a knowledge-check quiz, and practice exercises that allow learners to apply the skills to real life, practical situations. To complete each module, learners take a posttest to recap what they've learned.

The posttest at the end of each module measures mastery of content. When the learner scores **80% or greater on each posttest**, they earn an eBadge and advance to the next module. When learners have completed all four modules and earned their eBadges, they earn a **Certificate of Completion**.

*Student intern applicants do not have to earn **Soft Skills Credential**, or complete the other modules, but it is highly recommended they do so for continued success in career development.*

See sample on left of CERTIFICATE OF COMPLETION which can be downloaded by student upon completion of four credential badges in Soft Skills.

If intern applicant has earned this certificate in past school years, student does NOT have to take courseware again, but must submit Certificate of Completion to school champion. (Log in and download certificate)
